

Load Cell Mounting

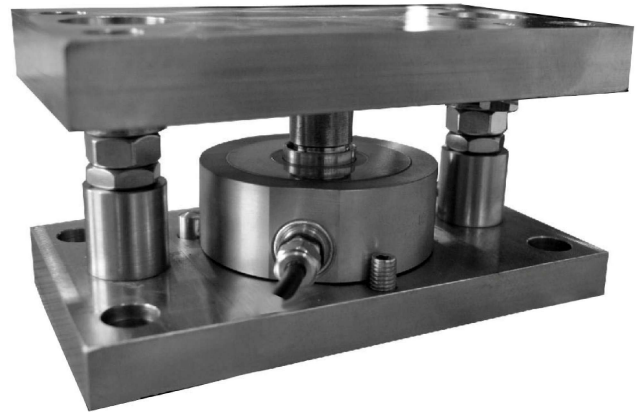

RSR-MT

Type: Loadcell Mounting (For RSR)

Material: Stainless Steel

Features: Lift-off protection
Self aligning construction
Easy load cell access

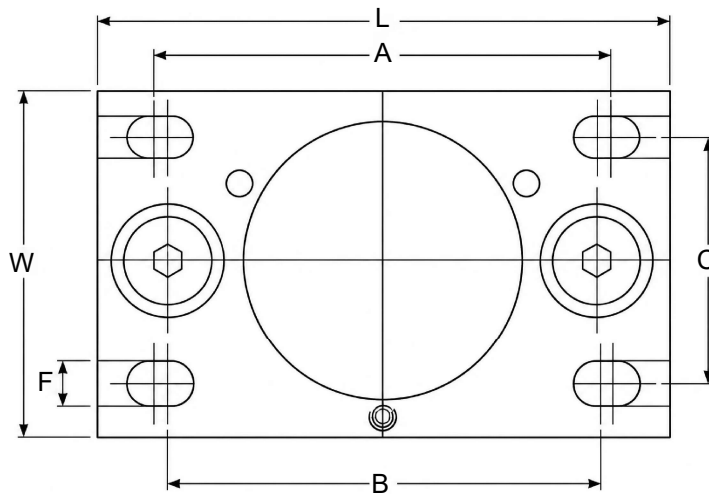

Application: Pallet Scales
Hopper Scales
Overhead Track

Specifications:

Capacity	t	0.25 \ 1.0	2.0 \ 5.0	10 \ 13
Maximum vertical force (down)	kN	15	30	50
Maximum vertical force (up)	kN	10	20	30
Maximum horizontal force	kN	5	10	20
Maximum horizontal movement	mm	± 3	± 3	± 3
Installation height	mm	80	105	117
Working height	mm	75	100	110
